Dear Madam

NOTIFICATION ON PORTABLE OPERATION OF APPROVED AMATUER HF EQUIPMENT

I would like to inform the iDA of my proposed portable operation of approved amateur HF equipment and hereby furnish the following details relating to such operation:

Amateur Station Licence No.	Type & Model of HF Amateur Eqpt	Date and Time of Operation	Frequency Band of Operation	Location of Operation

I am aware of and agree to comply with the Telecommunications (Radio communication) Regulations (the "Regulations"), my Amateur Station licence and the following additional licence conditions applicable to the portable operation of approved amateur HF equipment:

- (i) The Licensee shall only engage in the portable operation of approved amateur HF equipment "the Equipment");
- (ii) The Licensee shall ensure that the output power of the Equipment he operates does not exceed 5 Watts;
- (iii) The Licensee shall only operate the Equipment solely for the purposes of pleasure or for the furtherance of radio-communication techniques and shall not operate the Equipment for any business or commercial purposes or for any pecuniary gain;
- (iv) The Licensee shall ensure that the operating frequencies of the Equipment are confined within the approved HF amateur bands as stated in the Amateur Handbook; and
- (v) The Licensee shall ensure that the operation of the Equipment does not cause radio interference to other authorised radio services and shall immediately cease operation of the Equipment if any radio interference occurs.

Yours sincerely,

Please sign above line
